## **Content Covered -**

- 1. Dental Industry Overview – MENA region**
- 2. Industry Overview by Categories**
  - 2.1 Dental Equipment & Tools (Clinic/Lab/Surgical)
  - 2.2 Dental Material & Supplies
  - 2.3 Dental Tech & Software
  - 2.4 Oral Care
- 3. INDEX 1000 Research Objective**
  - 3.1 Survey Data Sample Size
  - 3.2 Survey Data Demographic Mix
  - 3.3 Survey Data Categorization
  - 3.4 Survey Data Scope
- 4. Brand Awareness**
  - 4.1 Brand Awareness in Dental Equipment & Tools (Clinic/Lab/Surgical)**
    - 4.1.1 Brand Awareness in Dental Equipment & Tools by country
    - 4.1.2 Brand Awareness in Dental Equipment & Tools by entity business activities
    - 4.1.3 Brand Awareness in Dental Equipment & Tools by job role
  - 4.2 Brand Awareness in Dental Material & Supplies**
    - 4.2.1 Brand Awareness in Dental Material & Supplies by countries/region
    - 4.2.2 Brand Awareness in Dental Material & Supplies by entity business activities
    - 4.2.3 Brand Awareness in Dental Material & Supplies by job role
  - 4.3 Brand Awareness in Dental Tech & Software**
    - 4.3.1 Brand Awareness in Dental Tech & Software by countries/region
    - 4.3.2 Brand Awareness in Dental Tech & Software by entity business activities
    - 4.3.3 Brand Awareness in Dental Tech & Software by job role
  - 4.4 Brand Awareness in Oral Care**
    - 4.4.1 Brand Awareness in Oral Care by countries/region
    - 4.4.2 Brand Awareness in Oral Care by entity business activities
    - 4.4.3 Brand Awareness in Oral Care by job role

- 5. Customer Purchasing Preferences**
  - 5.1 Purchasing Preferences – Origin of Manufacturers**
    - 5.1.1 Origin of Manufacturer Preference – Dental Equipment / by country
    - 5.1.2 Origin of Manufacturer Preference – Dental Supplies / by country
  - 5.2 Purchasing Preference – Top influencing factors**
    - 5.2.1 Top influencing factors – Dental Equipment / by country
    - 5.2.2 Top influencing factors – Dental Supplies / by country
  - 5.3 Purchasing Preference – Significance of After Sales Services**
    - 5.3.1 Significance of After Sales Services – Dental Equipment / by country
    - 5.3.2 Significance of After Sales Services – Dental Supplies / by country
  - 5.4 Frequency of new vendor sourcing**
  - 5.5 Factors influencing repeat purchase in Dental Equipment**
- 6. Dental Technology Adoption**
  - 6.1 Challenges in adoption of new technologies**
    - 6.1.1 Challenges in adoption – by country
  - 6.2 Challenges in implementation of CAD/CAM in Dental practices/laboratory**
    - 6.2.1 Challenges in implementation – by country
- 7. Oral Care**
  - 7.1 Patient volume for preventative oral care**
    - 7.1.1 Patient volume by country
  - 7.2 Most commonly prescribed oral care products by dentist**
